Dear Parents/Guardians,

April 17,2020

I hope all of you are doing well with your loved ones. We have just completed week 2 of our remote learning and we are happy to say that for the most part it has been a success. It is amazing to see how fast our children have picked up on to remote learning.

I would like to take this opportunity to reach out to you through this newsletter to update on Remote Learning. I have instructed my administrative team and school councillors to reach out to you via telephone to take your feedback. Some of us have called you during this week and we will continue this during next week. Our goal is to reach out to as many parents and guardians as we can by the middle of next week.

We are happy to hear that most of you are having a positive experience despite the quick learning curve. We are aware of some of the challenges you are facing regarding non-core subjects such as French, Music, and Punjabi. I am working closely with my staff to modify these programs to reduce the stress level. I am also aware of the restlessness of our children especially younger ones to stay focussed at home when you are at work. We understand. We have uploaded “ Mrs. Tiwana’s Lets Talk” page on our website <https://sites.google.com/dasmeshschool.com/talktome/>. She shares many tips, strategies and wellness resources. It is very important to be safe and staying healthy. In addition to this we have also uploaded extra parent resources on our website <https://dasmeshschool.com/parent-resources/> and will continue to work with you as much as we can. We are all in this together, we are here to support you.

I thank you for your patience and dedication in working with your child’s teacher to maintain the continuity of learning for our students. We have updated emails of our staff on our school website www.dasmeshschool.com. I encourage you to send an email to your child’s teacher to give your feedback. You can also reach out to me and my administrative team via email or at the school phone number 604-826-1666. We will be happy to assist you to go through this emergency remote learning.

Regards

Jaspal S Dhaliwal

Principal

Stay Safe and Healthy!
