

## KidSport pays so **ALL** kids can play

The KidSport program aims to remove financial barriers to sport participation by providing grants to help cover the cost of sport registration fees 'So ALL Kids Can Play!'

### **ABOUT KIDSPORT GRANTS**

- Children could be eligible for up to \$700\* per child, per calendar year
- Sport activities must be affiliated with the member sport organizations of Sport BC (like BC School Sports) and demonstrate a sustained sport experience (a season of sport led by a qualified coach) for a minimum of 8 weeks and include at least one session per week.
- If approved\*\*, the grant is paid directly to the sport organization/school to help cover the registration fee for the sport activity

*\* Grant amount is determined by the community chapter and ranges from \$250 - \$700, depending on the chapter's funding capacity. Most chapters grant between \$300 - \$400.*

*\*\* please allow up to 60 days for notification of application status*

**Cost keeps 1 in 3 kids out of organized sport, especially kids from marginalized or remote communities**

# We owe **ALL** kids the chance to experience everything sport has to offer

There are 40 community chapters in BC that each fundraise, accept applications and distribute grants to support kids in their local community. For communities that don't have a chapter, grant requests are supported through our Provincial Fund.
